Art Rental

Through the Rental Program, the Art League offers an opportunity to the business and residential community to enjoy original works of art by members at affordable rental and purchase prices. One-artist jurying is required.

Community Sites

Art League members who have passed one-artist jurying may exhibit at several local community buildings throughout the Mid-Peninsula. Venues include hospitals, libraries, nursing homes, and restaurants. The Art League does all the necessary paperwork and its insurance covers all artwork, except in the case of earthquake damage.
